**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm writing to say that I am a customer who supports broadband competition! We exist, we want our local broadband service to stay and I reject the statement by the big carriers that there is "effectively no remaining UNE-Based competition in the marketplace". Do not let them control what happens to our telecommunication laws.
